Gold and diamond jewellery is all about trust and quality. That's how Alukkas jewellery, of the Joy Alukkas Group, has become the world's number one 22 carat jewellery retailer, with over a million clients, and the first ever jewellers in the Middle East to earn ISO 9001 and ISO 14001 accreditation. To you, it means pure confidence as you take your pick from over 100,000 designs at any of their stores. The variety of brands and collections is amazing; it includes Mayoori, Florentina, Zenina and the 'Hearts on Fire' diamond range. Rounding off the range of options is a fabulous selection of platinum and cultured pearl jewellery.

Arabian Oud was established almost 25 years ago, in Riyadh, KSA. What started out as a small establishment has since grown into one of the largest companies to deal in Oud products and Arabic perfumeries. The company now has over 300 branches in about 25 countries around the world, including one on Oxford Street in London, and another to soon open on the fashionable Champs-Elysee in Paris. The company also plans to have branches in the USA and Latin America. With such a global presence, Arabian Oud is truly taking the Oriental perfumes industry to a global level.

The answer to beautiful, flawless skin lies in the Dead Sea. For the last hundred years people from all around the world have been travelling to the Dead Sea in search of these 'magical' products. These natural products contain unique and concentrated extracts directly from the Dead Sea, like the rich mud that contains potassium, calcium and iron that dramatically improve the skin by conditioning and purifying or Osmoter, a mineral extract that works by stimulating the skin enzymes leaving your skin glowing. The Dead Sea Treasures line consists of a wide product range, from the famous skin care range to body and hair products, everything you'll need to pamper yourself from head to toe.
